

# School Sisters of Notre Dame

## North American Major Area

### Faculty / Staff Workshop

## Sponsorship Review Readiness

Designed for administrators, faculties, and staffs, this on-site workshop will guide participants through a self-assessment of the defining characteristics of an SSND sponsored institution. They will identify areas where the characteristics are already present in their school or organization and where they need to be strengthened. They will surface suggestions for strengthening the defining characteristics and set priorities.

This workshop will enable administrators to assess their ministry's readiness to begin the Sponsorship Review as well as provide valuable input for the process.

Minimum amount of time required is two hours.

This workshop will be conducted by Sister Grace D'Amico, SSND, NAMA Sponsorship Coordinator, and may be held on either a weekday or a weekend. Minimum number of participants is 12.

No fee will be charged by the NAMA Sponsorship Office. Arrangements must be made at least six weeks in advance. Last date available is June 19, 2010.

For information or to schedule a workshop, please contact Sister Grace D'Amico at (262) 787 1491 or [gdamico@ssnd.org](mailto:gdamico@ssnd.org).
