Transforming the World through Education

**Sponsorship
Workshops**

**Introductory
Series**

Based on Scripture, Church writings, and SSND documents, including *You Are Sent*, workshops will include prayer, input, time for individual reflection, and sharing with other participants. Content and design will be tailored to the individual organization after consultation with the chief administrator, board chair, and / or other key personnel.

Christian Call: We Are Called—We are Sent

Beginning with consideration of each individual's Christian Call to personal holiness and service, this workshop will proceed to consideration of the communal call of the group, e.g., staff or board, to use its gifts in the service of the SSND school or organization. The third segment will encourage participants to explore how the school or organization itself is a gift that fosters the reign of God on Earth in the 21st Century. #AI

SSND Heritage: The Legacy of our SSND Ancestors

As we review the lives of our SSND Ancestors, Blessed Alix LeClerc, St. Peter Fourier, Mother Theresa of Jesus Gerhardinger, and Mother Caroline Friess, we will try to discover the "SSND DNA," traits—both spiritual and practical—that have been handed down to us. Participants will be encouraged to make connections between our ancestors and ourselves, between the challenges they faced in their times and the challenges in our schools and organizations today. #BI

These day-long workshops will be conducted by Sister Grace D'Amico, SSND, NAMA Sponsorship Coordinator, and may be held on either weekdays or weekends.

Minimum number of participants is 12.

Optimum number is 18-36.

No fees will be charged by the NAMA Sponsorship Office for the workshops.

SSND Educational Vision

SSND Educational Vision: Enabling Persons— Transforming the World

This workshop will explore facets of the SSND vision of education as "enabling persons to reach the fullness of their potential as individuals created in God's image and assisting them to direct their gifts toward building the earth." (YAS 22) Focus will be on relating this vision to contemporary issues and circumstances affecting our ministries and our world. The day will include a process to explore and strengthen the embodiment of the SSND educational vision in the particular school or organization. #CI
